Par train

From Zurich's central train station, you can take the S10 train (with departures every 10 or 20 minutes) in the direction of Triemli, then Uetliberg. Get off at «Zürich-Binz», which is the 2nd stop from the train station. When you got off the train, go to the right and cross over the tracks. Then turn right after the «Denner» store and follow Grubenstrasse.

Par voiture

If you are coming from Bern, Basel, Winterthur or St. Gallen, follow the signs for the A3 highway (Chur). Do not get onto the highway; instead stay to the right in the direction of Manesseplatz, Albisgütli.

Cross Manesseplatz and go straight onto Uetlibergs-trasse. After 400 metres, you will find the Binz train station. Cross over the tracks, turn right after the «Denner» store and follow Grubenstrasse.
